“In this innovative study, Dr Ruel explores why political alternation—a bedrock of democratic functioning—has been largely absent in three understudied regions in Portugal and Spain. Focusing on Madeira, the

Download File PDF User Guide Canary

Azores and the Canary Islands, this book explains how party competition, intra-party democracy and regional economic performance have contributed to political party stasis since the return of democracy in the mid-1970s."

Download File PDF User Guide Canary

—Paul M. Heywood, Sir Francis Hill Professor of European Politics seconded 0.5 FTE to Global Integrity, Washington DC (2018-21), Faculty of Social Science, University of Nottingham, UK This book is about political alternation. It's

Download File PDF User Guide Canary

about parties and politicians. It's about power and resources employed to secure longevity in power over time at Azores, Madeira and the Canary Islands. This book explores the phenomenon of political alternation through an in-depth

Download File PDF User Guide Canary

contextual understanding of the path of regional historical legacies at democratization and decentralization processes started in the 1970s; the institutional architectures and the scope of regional authority endowed in those regions; the

Download File PDF User Guide Canary

specific dynamics of regional politics; and the constellation of political parties and actors and the regional elections results, as well as contextual factors that might explain why some political parties have better performances than other at regional elections.

Download File PDF User Guide Canary

Throughout comparative lessons Ruel seeks to highlight the range of factors that affect regional electoral dynamics and outcomes and to develop a comprehensive understanding of the drivers of long-standing incumbency (Azores and Canary Islands) or

Download File PDF User Guide Canary

the absence of political
alternation (Madeira) within
regional democracies.
