The most-trusted anthology for complete works, balanced selections, and helpful editorial apparatus, The Norton Anthology of American Literature features a cover-to-cover revision. The Ninth Edition introduces new General Editor Robert Levine and three new-generation editors who have reenergized the volume across the centuries. Fresh scholarship, new authors—with an emphasis on contemporary writers—new topical clusters, and a new ebook make the Norton Anthology an even better teaching tool and an unmatched value for students.

This third edition of this text presents the major grammatical contrasts between English and Spanish in a simple and direct manner that is ideal for teachers of either language. This book addresses difficult grammatical topics for the English speaker, such as the question of aspect (preterit/imperfect) and the Spanish rorindicative/subjunctive; the English modal auxiliary system; and other challenging topics for the Spanish speaker. This reworked and expanded edition presents a complete inventory of all the major inter-lingual contrasts, emphasizing those contrasts that pose difficulties for teachers and students alike. The text features numerous exercises and, new with this edition, an extensive glossary of grammatical terms.
