In his LOMS programme, Victor Cheng advocates for a much simpler method than Case In Point and suggests you should only learn two frameworks: the profit framework for profitability cases, and a general framework for all other cases (Product, Consumer, Company, Competition). The benefit of this approach is its simplicity.

Case interview frameworks or consulting frameworks are arguably the most critical component of a case interview. Outstanding case frameworks set you up for success for the case while poor frameworks make the case difficult to solve. By the end of this article, you will learn four different strategies on how to create unique and tailored frameworks for any case interview. Strategy #1: Creating Frameworks from Scratch
