Earlier this year, VIZ Media released The Art of Howl's Moving Castle, a hardbound, prestige format book which exists as an essential companion to Hayao Miyazaki's latest animated classic.To further complement the movie-going experience, we are now proud to present the Howl's Moving Castle Picture Book, a companion publication wedding scene-by-scene film footage with character dialogue in one handsome volume. Based on the young-adult novel by British author Diana Wynne Jones, Howl's Moving Castle reflects on a wondrous time when science and magic captured the spirit of 19th century Europe.The story of Howl's Moving Castle is the story of a young girl who is magically transformed into a 90-year-old woman. Undaunted by this curse, her continuing adventures introduce her to the vainglorious wizard Howl and his curious castlemates. Two years ago, VIZ Media released a similar book inspired by Spinted Away, the movie which garnered an Academy Award for director Hayao Miyazaki. Another picture book for My Neighbor Totoro is planned for later this year. Now, add Howl's Moving Castle to this list of must-have movie books. Director Hayao Miyazaki is a master storyteller and his films have all become classics of animation. There's no better way to preserve the magic of Howl and his flying castle than by adding this delightful volume to your home library.

Sophie has the great misfortune of being the eldest of three daughters, destined to fail miserably should she ever leave home to seek her fate. But when she unwittingly attracts the ire of the Witch of the Waste, Sophie finds herself under a horrid spell that transforms her into an old lady. Her only chance at breaking it lies in the ever-moving castle in the hills: the Wizard Howl's castle. To untangle the enchantment, Sophie must handle the heartless Howl, strike a bargain with a fire demon, and meet the Witch of the Waste head-on. Along the way, she discovers that there's far more to Howl—and herself—than first meets the eye.

In the land of Ingary, such things as spells, invisible cloaks, and seven-league boots were everyday things. The Witch of the Waste was another matter. After fifty years of quiet, it was rumored that the Witch was about to terrorize the country again. So when a moving black castle, blowing dark smoke from its four thin turrets, appeared on the horizon, everyone thought it was the Witch. The castle, however, belonged to Wizard Howl, who, it was said, liked to suck the souls of young girls. The Hatter sisters—Sophie, Lettie, and Martha—and all the other girls were warned not to venture into the streets alone. But that was only the beginning. In this giant jigsaw puzzle of a fantasy, people and things are never quite what they seem. Destinies are intertwined, identities exchanged, lovers confused. The Witch has placed a spell on Howl. Does the clue to breaking it lie in a famous poem? And what will happen to Sophie Hatter when she enters Howl's castle? Diana Wynne Jones's entrancing fantasy is filled with surprises at every turn, but when the final stormy duel between the Witch and the Wizard is finished, all the pieces fall magically into place.

Charmain Baker is in over her head. Looking after Great-Uncle William's tiny cottage while he's ill should have been easy. But Great-Uncle William is better known as the Royal Wizard Norland, and his house bends space and time. Its single door leads to any number of places—the bedrooms, the kitchen, the caves under the mountains, the past, and the Royal Mansion, to name just a few. By opening that door, Charmain has become responsible for not only the house, but for an extremely magical stray dog, a muddled young apprentice wizard, and a box of the king's most treasured documents. She has encountered a terrifying beast called a lubbock, irritated a clan of small blue creatures, and wound up smack in the middle of an urgent search. The king and his daughter are desperate to find the lost, fabled Elfgift—so desperate that they've even called in an intimidating sorceress named Sophie to help. And where Sophie is, can the Wizard Howl and fire demon Calcifer be far behind? Of course, with that magical family involved, there's bound to be chaos—and unexpected revelations. No one will be more surprised than Charmain by what Howl and Sophie discover.

Sophie thinks of herself as plain and boring, especially compared to her vivacious younger sister Lettie. Sophie expects to spend the rest of her life quietly making hats in the back room of her family's shop, but as her country prepares for war, she is forced to set out on an extraordinary adventure! Sophie has made her place in to the Moving Castle, and discovered that Howl isn't as terrible as his reputation paints him. In fact, he's a bit of a coward, and needs Sophie to answer a Royal summons for him! But the visit to the Palace ends in shambles, and now Howl's mentor Madam Suliman is out to get them...and the Witch of the Waste has moved into the castle!

Abdullah was a young and not very prosperous carpet dealer. His father, who had been disappointed in him, had left him only enough money to open a modest booth in the Bazaar. When he was not selling carpets, Abdullah spent his time daydreaming. In his dreams he was not the son of his father, but the long-lost son of a prince. There was also a princess who had been betrothed to him at birth. He was content with his life and his daydreams until, one day, a stranger sold him a magic carpet. In this stunning sequel to Howl's Moving Castle, Diana Wynne Jones has again created a large-scale, fast-paced fantasy in which people and things are never quite what they seem. There are good and bad djinns, a genie in a bottle, wizards, witches, cats and dogs (but are they cats and dogs?), and a mysterious floating castle filled with kidnapped princesses, as well as two puzzling prophecies. The story speeds along with tantalizing twists and turns until the prophecies are fulfilled, true identities are revealed, and all is resolved in a totally satisfying, breathtaking, surprise-filled ending.

Sophie thinks of herself as plain and boring, especially compared to her vivacious younger sister Lettie. Sophie expects to spend the rest of her life quietly making hats in the back room of her family's shop, but as her country prepares for war, she is forced to set out on an extraordinary adventure! With the Royal Sorcerer hot on their heels, Howl moves house, and Sophie finds herself back where she started, in her family's hat shop. But she isn't the same plain and timid Sophie—she's been cursed, chased, and even fallen in love with an infamous wizard! Now her new strength will be tested as the war breaks out in the skies above town and Howl's life is threatened by mysterious magic!
