Get Free Westward Expansion A History Of The

In the American Old West, overland trails were built by pioneers and immigrants throughout the 19th century and especially between 1829 and 1870 as an alternative to sea and railroad transport. These immigrants began to help colonize much of North America west of the Great Plains as part of the mass overland migrations of the mid-19th century. Settlers emigrating from the eastern United States were spurred by various motives, among them religious persecution and economic incentives, to move to d
