When He Was Wicked is the sixth installment of the Bridgertons series by Julia Quinn. It is about Francesca Bridgerton, who had a love marriage, but her husband died two years ago. Her husband's cousin, Michael, is in love with her since they first met, and slowly Francesca realizes that she feels the same for him.

*When He Was Wicked (Bridgertons, #6) by Julia Quinn*

When He Was Wicked takes place at the same time as both Romancing Mr. Bridgerton and To Sir Phillip, With Love. This turned out to be a major pain, but I'd mentioned Francesca just enough in both of those books that I had to set the book then. (Note to self: plan things out better next time you write a series!)

Storyline When He Was Wicked: Everything was so much simpler... when he was wicked. In every life there is a turning point. A moment so tremendous, so sharp and breathtaking, that one knows one's life will never be the same. For Michael Stirling, London's most infamous rake, that moment came the first time he laid eyes on Francesca Bridgerton.

*When He Was Wicked: Bridgerton (Bridgertons Book 6 ...*

When He Was Wicked, the story of Francesca and Michael is not my favorite book of the Bridgerton series. But this novella is the best one of the second epilogues. First, it is about the two of them, and not someone else. Second, it is emotional and sweet.

*When He Was Wicked: The 2nd Epilogue by Julia Quinn*

WHEN HE WAS WICKED is the sixth book in the Bridgerton series. It is the story of Michael Stirling and Francesca Bridgerton. When Michael meets Francesca, he immediately falls in love. Unfortunately for him, she is marrying his cousin, the Earl of Kilmartin.
