A pregnant detective investigates murders tied to a strange group of women in this thriller by the New York Times bestselling authors of Wicked Lies. You Sense Him Some refer to it as the Colony. To others, it's a cult. But few locals in the Oregon coastal hamlet of Deception Bay have ever been invited to the inner sanctum of Siren Song. Even the sisters who live here, far from strangers who might recoil at their unnerving psychic abilities, don't know all the terrors buried within its walls. You Fear Him Eight months into a surrogate pregnancy for her sister, Kristina, Detective Savannah Dunbar just wants to wrap up paperwork before taking medical leave. But her department's investigation into a brutal double homicide has suddenly become much more complex and personal. And now there are disturbing rumors about the Colony, its matriarch, and a long history of bitter secrets... But You Can Never Stop Him Death has come to Siren Song before. But this time there will be no refuge and no remorse. For everything born in wickedness must die that way and a killer will not rest until he has claimed them all. [A] superb supernatural thriller. A masterpiece of romantic suspense with enough twists and turns to keep the reader eagerly anticipating the breathtaking conclusion. Publishers Weekly, starred review

She doesn't want to panic—or give her estranged husband, Jack, more reason to try and move back in. After all, why would anyone choose to target her? For generations, the Cahills have been one of San Francisco's most affluent families, with a splendid manor perched high above the Bay. Money like theirs offers not just privilege, but protection. Yet something has changed. One by one, Cahills are dying in brutal ways. Uncertain who to trust, Cissy is desperate to keep her young son safe. And the only way is to delve into her family's past and uncover the twisted truth...before a killer finds them.

Mason Lafferty believed he wasn't good enough for the boss's daughter and broke Bliss's heart after saving her life. Yet now he's back in Bittersweet, determined to make her trust him again. Tiffany Santini is widowed and struggling to raise two children after a car accident. That doesn't mean she needs interference from her powerful brother-in-law. And Katie Kincaid is too busy wrangling her rambunctious son to get involved with the enigmatic cowboy next door. Then there's the mystery at the heart of Bittersweet—the recent disappearance of an elderly local, Isaac Wells, who has vanished without trace, casting a dark cloud over all their lives . . . Join me in Bittersweet as these three very different, independent women try to escape the shadows of their pasts . . . Lisa Jackson
