arms and enthused by the defiance and dare-devilry of the army wing of the Hindustan Socialist Republican Association to which he and his comrades, Sukhdev and Rajguru, belonged. His call, Inquilab Zindabad! became the war-cry of the fight for freedom. When Bhagat Singh was executed by the British after a sham trial for his involvement in the Lahore Conspiracy Case at the age of twenty-three, he was glorified by the Indians as a martyr - for his youth, his heroism, and his steadfast courage in the face of certain death. It was only many years later - after Independence in 1947 - that his jail writings came to light. Today, it is these works that set Bhagat Singh apart from the many revolutionaries who laid down their lives for India. They reveal him as not just a passionate freedom-fighter who believed in the cult of the bomb but a widely-read intellectual inspired by the writings of, among others, Marx, Lenin, Bertrand Russell and Victor Hugo; a revolutionary whose vision did not end with the ouster of the British, but who looked further, towards a secular, socialist India. In this book, commemorating the hundredth birth anniversary of this iconic young man, Kuldip Nayar takes a close look at the man behind the martyr: his beliefs, his intellectual leanings, his dreams and his despair. The book explains for the first time why Hans Raj Vohra turned approver and betrayed Bhagat Singh, and throws new light on Sukhdev, whose loyalties have been questioned by some historians. But

most of all it puts in perspective Bhagat Singh's use of violence, so strongly condemned by Gandhi and many others as being extremist. Bhagat Singh's intent was never to kill the largest number or strike terror in the hearts of the British through the gruesomeness of his attacks; his fearlessness was not fuelled by the empty bravura of guns and youth. It was held together by the wisdom of his reading and the strength of his beliefs.

Account of an Indian journalist, imprisoned during emergency, 1975.

A veteran journalist and former member of Parliament, Kuldip Nayar is India's most well known and widely syndicated journalist. He was born in Sialkot in 1923 and educated at Lahore University before migrating to Delhi with his family at the time of Partition. He began his career in the Urdu newspaper Anjam and after a spell in the USA worked as information officer of Lal Bahadur Shastri and Govind Ballabh Pant. He eventually became Resident Editor of the Statesman and managing editor of the Indian news agency UNI. He corresponded for the Times for twenty-five years and later served as Indian high commissioner to the UK during the V.P. Singh government. His stand for press freedom

during the Emergency, when he was detained; his commitment to better relations between India and Pakistan, and his role as a human rights activist have won him respect and affection in both countries. Author of more than a dozen books, his weekly columns are read across South Asia.

A Thought-Provoking, Perceptive Memoir By One Of India`S Most Respected Writers.

Extolled for his extraordinary courage and sacrifice, Bhagat Singh is one of our most venerated freedom fighters. He is valourised for his martyrdom, and rightly so, but in the ensuing enthusiasm, most of us forget, or consciously ignore, his contributions as an intellectual and a thinker. He not only sacrificed his life, like many others did before and after him, but he also had a vision of independent India. In the current political climate, when it has become routine to appropriate Bhagat Singh as a nationalist icon, not much is known or spoken about his nationalist vision. *Inquilab: Bhagat Singh on Religion and Revolution* provides a corrective to such a situation by bringing together some of Bhagat Singh's seminal writings on his pluralist and egalitarian vision. In doing so, it compels the reader to see that while continuing to celebrate the memory of Bhagat Singh

as a martyr and a nationalist, we must also learn about his intellectual legacy. This important book also makes a majority of these writings, hitherto only available in Hindi, accessible for the first time to the English-language readership.

When Bhagat Singh Was Executed By The British After A Sham Trial For His Involvement In The Lahore Conspiracy Case At The Age Of Twenty-Three, He Was Glorified By The Indians As A Martyr For His Youth, His Defiance And His Reckless Bravery. It Was Only Many Years Later, After Independence In 1947, That His Writings Came To Light. Today, It Is These That Set Bhagat Singh Apart And Reveal Him As Not Just A Hot-Headed Revolutionary Who Believed In The Cult Of The Bomb But A Widely-Read Intellectual Inspired By The Writings Of Marx And Lenin, To Whom The Betterment Of Indian Society Was As Important As The Ouster Of The British. In This Book, Commemorating The Hundredth Birth Anniversary Of This Iconic Young Man, Kuldip Nayar Takes A Close Look At The Man Behind The Martyr: His Beliefs, His Intellectual Leanings, His Dreams And His Despair. He Also Explains Why Hans Raj Vohra Betrayed Bhagat Singh And His Comrades And Throws New Light On Sukhdev, Whose Loyalties Have Been Questioned By Some Historians.

Bhagat Singh spent the last two years of his life in jail, awaiting

execution. During this time, he and his comrades fought one of the most celebrated court battles in the annals of national liberation struggles, and used the court as a vehicle for the propagation of their revolutionary message. They also struggled against the inhuman conditions in the colonial jail, and faced torture and pain. Their heroism made them icons and figures of inspiration for generations to come. All this is well-known. What is not so well-known is that Bhagat Singh wrote four books in jail. Although they were smuggled out, they were destroyed and are lost forever. What survived was a Notebook that the young martyr kept in jail, full of notes and jottings from what he was reading. In the year of his birth centenary, LeftWord is proud to present his Notebook in an elegant edition. This edition has been checked against the copy preserved in the National Archives of India. The Notebook is richly annotated by Bhupender Hooja; and the annotations have been revised and updated for this edition. Also included are the most important texts that Bhagat Singh wrote in jail, Chaman Lal's lucid introduction, the New York Daily Worker's reports and Periyar's editorial on the hanging.

Bhagat Singh is a name that became synonymous with revolution in India's struggle for Independence. This young boy brought about a change in the way people thought about freedom. He was well read and

fought extensively for rights - his own, his comrades' and his countrymen's. A discussion with a friend soon turned into a matter of self-assessment for Bhagat Singh, leading to a discourse on why he chose to be an atheist. Even in the face of death at a very young age, his uncanny observation leads to his putting forth some pertinent questions. On another occasion, he was disappointed with his father's plea in court for his innocence and chose to write a letter to him. This book is a collection of eighteen of his valued writings from within the walls of prison and outside it, which show us the resolve in his words, and the bravery in his acts subsequently.
